The platform will monitor individual progress and provide reporting.

For CPD activities undertaken and completed outside the Ontrack platform, each individual relevant provider is required to upload details into Ontrack and submit evidence for assessment and approval to **Michelle Grech – Hughes O'Dea Corredig**, and for periodic review and approval by the relevant **Responsible Manager**.

It is the relevant provider's responsibility to maintain complete and accurate records within Ontrack.

## Career breaks

If a relevant provider has not been practicing or authorised as a relevant provider for a continuous period of 2 years or more, then they must comply with the following career break requirements.

**Hughes O'Dea Corredig** must approve the relevant providers CPD plan for the first CPD year prior to resuming practice. Their first CPD plan may require additional CPD hours be completed to ensure the Licensee is satisfied that it is appropriate to address gaps in the relevant provider's competence, knowledge and skills arising from the relevant provider's absence from practice.

## Extenuating circumstances

In the case that a relevant provider has been affected by illness, medical conditions, disability or parental leave, as the Licensee is a small Licensee, the Licensee will make a determination at that time.

## Provisional relevant providers

Provisional relevant providers who are completing their Professional Year are not required to meet CPD requirements.

In the first CPD year as a relevant provider, CPD requirements will be pro-rated for the period between the completion of the professional year and the CPD year.

## Existing relevant providers new to Licensee

**Hughes O'Dea Corredig** will have to provide a copy of the recognized CPD undertaken with a previous Licensee prior to becoming a relevant provider for this Licensee.
